ACRIFIX®

ACRIFIX® AC1010
anti-static cleaner

Product

ACRIFIX® AC1010 anti-static cleaner is specially formulated to eliminate static charge from sensitive surfaces. Unlike common cleaners that can scratch or harm the surface, ACRIFIX® AC1010 anti-static cleaner is ideal for acrylic (ACRYLITE® framing grade products), lacquer, Formica and is also recommended for solid surface kitchen and bath materials such as PARAPAN®, granite and marble. Its non-toxic formula is environmentally friendly and adds sparkle and shine to any solid surface material.

When cleaning, use a soft, lint-free cloth exclusively. The cloth should be thoroughly rinsed before use. Never wipe away dust with a dry cloth.

The ACRIFIX® AC1010 does not provide permanent anti-static properties, but it will dissipate and neutralize static so that applied area will become dust free and stay clean longer.

Product	Container Size
ACRIFIX® AC1010	2 oz. Spray Bottle
	4 oz. Spray Bottle
	16 oz. (1 pint) Spray Bottle
	128 oz. (1 gallon) Refill Bottle
	5 gallon Refill Container
